"Changing Smiles Everyday"

A Message From Dr. Scott

It's hard to believe we're all most through October. Summer just seemed to fly by. I hope everyone had a nice summer. I did.

Fall has started off with a bang. We were at Back to School Night and enjoyed seeing parents and kids excited about school starting. The Watermelon Festival was blessed with perfect weather and it was so nice to see everyone there. Thank you to all the hard working people who helped organize and run these events.

Of course, what would fall be without Halloween and it's festivities. We look forward to seeing all the great costumes again, this year. Thanks to all the parents who help put Halloween Fun Night on. The date to save is **October 25th**. The parade will start at 6 PM with games to follow at the Elementary School gymnasium. I look forward to seeing you there.

Linda tells me she is already organizing the Giving Tree. The tree will be trimmed with tags ready for you to pick up on November 13th.

The end of the year also means the end of the insurance year for most patients. If you have any dental needs please call us so you don't lose any benefits you have left.

I know it's very hard for non-dental people to understand, but I'm very excited about what's new in our office. Coming soon we'll be able to do one visit crowns. Our new Cerec CAD/CAM machine is here waiting for the staff and I to complete our advanced training this month. Please ask us about this great new product and how it will benefit you.

Wishing you all Wonderful Holidays.

Virginia Scott, D.D.S.
